

Curriculum Vitae

Of

Franco Bester

To Whom it may concern

I am applying for this position in your company, in doing so I feel that I have extensive technical and theoretical knowledge to fulfil this position in your company. I have come to a point in my life where I seek new challenges alongside applying all my past experiences and knowledge to further improve myself as a person and a developer. I am a hard and loyal worker who has spent his entire adult life learning and developing new skills and knowledge to be the best possible developer I can be. I am a quick learner alongside being a good tutor and teacher to others less and more experienced than me, I take full responsibility for any and all of my errors and will always work twice as hard to solve any of my or my team's mistakes. Teamwork has always been a strong skill of mine along with taking orders and inspiring my fellow team members.
